### ***REASONS FOR ALLOWANCE***

1. The amendment filed 7/12/2007 has been entered. Claims 1-20 are pending in this Office action.

#### ***Allowable Subject Matter***

2. Claims 1-20 are allowed.

3. The following is an examiner's statement of reasons for allowance: none of the prior art of the record discloses or suggests that a method and apparatus for decoding a noisy signal provided from the coordinates of a point in a point constellation, each constellation point being associated with a digital data item of a determined number of bits, comprising steps of or means: determining a reference point associated with a digital reference data item and corresponding to the constellation point closest to the received point; determining at least one concurrent point corresponding to the constellation point closest to the reference point associated with a digital data item, having a bit of determined rank with a logic value opposite to the bit of determined rank of the reference data; and determining, at least for the bit of the reference digital data at said determined rank, a precision data item based on the received point, the reference point, and the concurrent point, wherein the determination of the bits of the digital data associated with the concurrent point is performed based on the values of some of the bits of the reference digital data and on said rank as recited in claims 1, 7, 8, 11, 15, and 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
